

VERMEJO

A TED TURNER RESERVE

BISON AND NIGHT SKIES Photography Workshop with SEAN FITZGERALD

August 19th-23rd

\$2800 per person, single occupancy

\$5400 per couple, double occupancy

Accompany renowned photographer Sean Fitzgerald as you explore Vermejo's 900 square miles of nature. Clear mornings give way to dramatic afternoon clouds and even rainbows. It's the perfect time to set up near a bison herd and watch the action unfold. Night photography is at its finest. The Milky Way is big and bright under Vermejo's dark skies. Chase wildlife opportunities, explore several of Vermejo's stellar ghost towns and historic structures, and shoot a range of landscapes, day and night.

*Cost includes lodging, meals, professional guides and on-site transportation. optional two day extension available.
(\$700/extra day, per person, subject to room availability)*
